Re: CG Docket 05-213 (Captioning) and 06-203 (Cell phones) ex Parte Meetings

Dear Ms Dortch:

On Tuesday, April 17, 2007, I met with FCC Commissioners, their legal staff Consumer and Government Affairs Bureau. The purpose of the meetings was to discuss hearing aid accessible cell phones and appropriate television captioning standards.

We discussed the need for the FCC to meet with cell phone manufacturers and cell phone providers in the GSM network to learn what each companies' financial and time commitments are to overcome the M4 hurdle in the GSM network.

We also discussed captioning standards that are based on Deafness Research Foundation's work with a television network, captioning companies and production companies.

Meetings were held with:

Commissioner Jonathan S. Adelstein  
Barry J. Ohlson, Senior Legal Advisor to Commissioner Adelstein  
Scott Bergmann, Legal Advisor for Wireline Issues to Commissioner Adelstein

Commissioner Robert M. McDowell  
(This meeting was held informally in the hallway.)

Michelle Carey, Senior Legal Advisor Media Issues to Chairman Kevin J. Martin  
Erika Olsen, Acting Legal Advisor Wireless Issues to Chairman Kevin J. Martin

Jeffrey Steinberg, Deputy Chief, Commercial Wireless Division  
Christina Eads Clearwater, Legal Advisor Spectrum & Competition Policy Division, Wireless Telecommunications Bureau

Cathy Seidel, Bureau Chief, Consumer and Governmental Affairs Bureau

Respectfully submitted,

Janice L. Schacter  
Executive Director
